Father Scott from St. Alexander's and a representative from Catholic Charities will be coming to Ticonderoga on Thursday, the 19th to pick up your donations. We appreciate all further donations- may God Bless You with a Wonderful Thanksgiving!

HEALTH INFORMATION We get phone calls and see posts on social media about parties and gatherings of children and families where masks are not being worn. It is vital to our school community that we all stay healthy and do all we can to prevent COVID from entering our school population. New state mandates are clear that there should be no large gatherings and that we all need to wear a mask. Please keep our family as healthy as possible by avoiding situations where you may be exposed to the virus. Our School is being disinfected and fogged nightly. Our Church is also being disinfected and fogged after every mass. If we do have to close school we want to be able to say that we did everything possible to avoid it. Thank you so much- we know you want to have St. Mary's open throughout the school year as much as we do. God Bless you. Stay Healthy!

*God bless
