

ST. MARY'S SCHOOL

End of Year Note

June 23rd, 2021

Yearbooks can still be purchased in the office for \$15

Mrs. Chevier is moving to Pennsylvania and her position at St. Mary's School will be vacant next year. She is our "i-Ready" computer assisted instructor. This is a paid position through Ticonderoga Central School. If you are interested in applying for the position please let Sister Sharon know ASAP. This is a part-time position, 8am-2pm each school day.

Please think about donating your child's outgrown uniforms to our uniform exchange. You can drop them off at the school and we will organize our uniform exchange before August. We are always happy to share and trade uniforms! We have new/used uniforms in the church basement if you would like to set up a time with Sister Sharon to look. She can be reached at (518) 569-5197.

Watch our Facebook Page throughout the summer - there will be announcements and information posted periodically. There will be two different events in August for families and the community that will be sponsored by the Family Support Coordinator. One will be "Songs and S'mores" - an evening of music and fun and the other will be "Popsicles on the Playground". These events will be in August!

*God Bless You
Sister Sharon*
