____ Yes, I have a 3/4 year old ready for Pre K in September 2021.

In order to better plan for your child's educational needs for the upcoming school year, we are asking that you complete and return this re-registration form. We would like to know before we do our yearly budget, teacher contracts and hiring of new teachers how many of our present students will be returning in the fall. We will gladly accept the form by mail or you can drop it at the school on Mondays or Wednesdays from 9:00a.m.-12:00p.m. or the convent at 145 Lake George Avenue (Place in mailbox.) **no later than June 10, 2021.**

St. Mary's School consistently meets all NYS Standards. We provide for each student, a stimulating learning environment that develops and challenges young minds while preparing students for future academic success. School religious studies provide teachings which are fundamental to our children's spiritual and moral growth and development. Our sports programs promote a healthy balance of cooperation, competition, sportsmanship and fair play. Next year's sports programs are in place, including soccer, basketball, and golf. Due to Covid these programs could be modified.

Should you have any questions about your child's program for next year, please contact Sister Sharon.

Sincerely,

Sister Sharon
 Principal
