

Permission to Play Athletics

Dear Parents,

Your child has expressed interest in playing _____ at St. Mary's School. He or she must be covered by an insurance policy and will need an updated physical in order to participate. Physicals will be given on Wednesday, September 14, 2016. If you do not have one done at school, you must have one done independently, and we must have a copy of this on file. We need your written permission to allow your child to participate on the soccer team. Please return the completed permission slip below and return it to school promptly.
Thank you.

_____ has my permission to play
Student's Name

soccer on the St. Mary's School team this year.
